

2025 Whitefish Safe Grad Night

PO BOX 4185

February 29, 2025

Dear Community Member:

Every year, a committee composed of parents of our Whitefish High School graduating seniors, organizes an all-night graduation party at the WAVE. The goals of this party are twofold: to provide our graduates with a safe, sober and engaging event to celebrate their graduation and to offer them one final bonding experience at the end of a very stressful and challenging senior year. More than just a party, this event is 100% dependent upon donations and its success is directly related to the generosity of community businesses and organizations such as yours. Past community support has made this a hugely successful event, attracting nearly 100 percent of our graduating seniors for over 10 years and keeping our young people safe on graduation night!

We ask you to help us build a successful event for the class of 2025. As you know, this night can end in tragedy as kids often make poor choices when celebrating graduation. This is why we, as parents, are working hard to plan and host a night commemorating the graduates' accomplishments and enable them to share their success with fellow classmates in a safe, alcohol and drug free environment.

The Wave has again graciously donated their facility to host this year's Whitefish Safe Grad Night. This year's Graduation is on the 7th of June . With your support we will provide fun interactive games, activities, entertainment, raffle prizes, and great food. In addition, we will give each graduate a gift to honor their achievement and help prepare them for their next academic or life adventure.

Thank you for considering our request. We welcome cash donations and/or items we can use as raffle prizes. Please let us know of raffle prize items by May 9, 2025. We are hoping to collect all cash contributions no later than May 28, 2025.

If you have any questions about donating, or if you have a donation you would like us to pick up, please call/text Coco Pickert at 406-249-6006 or email: [wfmtcoco@icloud.com](mailto:wfmtcoco@icloud.com) or Julie Walz at 309-992-8017 or email: [whitefishsgn@gmail.com](mailto:whitefishsgn@gmail.com)
